

The PA DOC Monitor

Reexamining the Pennsylvania Department of Corrections

More than 7 million Americans are behind bars, on probation, or on parole. Why is that?

We invite you to visit the PA DOC Monitor, a web site dedicated to thoroughly examining the direction of the PA DOC. If you have been incarcerated, or have friends or family in PA's jails the PA DOC Monitor wants your stories, news, and analysis.

Please visit us at:

<http://pa-doc-monitor.org>

Story submissions can be sent to:

editor@pa-doc-monitor.org
